# TEN STRINGS AND A GOAT SKIN

**“A seamless, polished, barrel-drum-tight, rhythmically innovative and wildly entertaining traditional music powerhouse”**

— *The Guardian*

Hailed on two continents as “infectious” and “the best of contemporary/trad Celticmusic,” Ten Strings And A Goat Skin are a bilingual trad/folk/fusion trio, playing Irish, Acadian, French and original creations infused with modern and world rhythms. The band creates a fiery, contagious and unique sound with a stage presence that leaves audiences wanting more at every show.

Ten Strings And A Goat Skin both highly respect the traditions of the music they play while riding a wave that is redefining the roots of that music. Their original material maintains solid traditional elements but explores rich world flavours and textures. The results have been described as intoxicating and refreshing.
